This workshop concerns proposed modifications to MD 295 from South of MD 100 to North of I-195 with improvements on Hanover Road from High Tech Drive to MD 170.

This project is currently in the Project Planning phase, which includes agency and public involvement, engineering and environmental studies, and concludes with the receipt of Location and Design Approvals for the selected alternative.

The purpose of this workshop is to acquaint the public with the need for the project and the progress of the study to date. Display areas will be set up explaining the purpose and need for the project, alternatives being considered, potential environmental impacts, related projects and improvements. State Highway Administration representatives will be available to discuss the project issues and record your comments. No formal presentation will be given.

The State Highway Administration is in the process of identifying historic resources, including structures and archeological sites in the study area that may be eligible for the National Register of Historic Places. In accordance with the Section 106 procedures of the National Historic Preservation Act, this Alternates Public Workshop provides the opportunity for public input regarding historic resources.

All interested persons are invited to attend and participate in this workshop and express their views regarding the proposed alternatives, and social, economic and natural environmental elements of this project. Brochures describing the proposed alternatives and forms for written comments will be available.

Citizen involvement in the project planning process is encouraged. Written comments and requests to be included on the project planning mailing list may be submitted to Ms. Carmeletha Harris, Project Manager, Project Planning Division, Mail Stop C-301, State Highway Administration, P.O. Box 717, Baltimore, Maryland 21203-0717, by calling 410-545-8522, toll free at 1-800-548-5026 or by email at [charris@sha.state.md.us](mailto:charris@sha.state.md.us). Those persons on the project planning mailing list will be kept informed of project developments and the opportunity for public involvement as the study progresses.

#### HEARING IMPAIRED/NON-ENGLISH SPEAKING PERSONS:

If anyone who is hearing impaired desires to attend this meeting, please notify the above address in writing or teletype to 1-800-735-2258 (Statewide toll free). Non-English speaking persons who wish to attend should notify the same address or call 410-545-8522.
